Sir:

I, as the undersigned attorney, respectfully request for myself and for Hector J. Ribera (Reg. § 1.36.

The response filed herewith in the subject application is prepared by the undersigned attorney without instruction or correspondence received from the inventor concerning the response, and is filed with a petition for extension of time enclosed herewith without payment of fees therefor that are submitted to remain the obligation of the inventor.

The last known address of the inventor is:

In addition, the inventor has failed to pay several invoices issued to him on his open account for fees and expenses previously incurred on this and related international applications, which account remains delinquent for over one year.

The subject application is due for a response to the outstanding official action within the shortened period set for response, plus one-month extension, not

later than April 7, 2006. Therefore, time remaining to the statutory deadline is in excess of two months.

In accordance with 37 C.F.R. § 10.40(a), a copy of this request, including attachments, is being sent to the client under cover letter giving due notice, and a copy of such letter to the client is also attached.
